Penalty for Damage the Chairs on Annual Day Event

Dear Students,

It has come to our notice that during the Annual Day Event, there were instances of **unexpected damage inflicted upon the many chairs in the venue**. It is essential that we uphold values of respect, responsibility, and accountability for our college related things. This is not only an unnecessary expense but also reflects poorly on the collective behavior and negative impression of the students.

In light of this, the penalty will be imposed:

Each individual found directly responsible for damaging the chairs will be required to cover the cost of Rs.150/- (One Hundred and Fifty Rupees only) for boys.

We urge all students to reflect on the consequences of actions and to know the care and consideration for the property of the institution. Let us strive to maintain a positive and respectful environment for all students.
